

Activity Day at the Submarine Force Museum

Join us on July 17 for a day of fun-filled activities!

- *Spell your name in signal flags!
- *Design a LEGO submarine!
- *Build an aluminum-foil boat and see how many pennies it holds before it sinks!
- *Create your own submarine patch to take home!

Try out these activities in our classroom between 10 AM and 3 PM. Or go on a **scavenger hunt** as you tour the museum—you can pick up the sheet at any time during the day and there's a prize if you finish! Want to learn more about subs from Sailors themselves? Then come to one of the scheduled **Sailor talks**—check the bulletin board when you arrive for subjects, times, and places!

We hope we'll see you there!
